### Recipes for Bio Suisse products

Bio Suisse certification is valid for the following recipes:

1. Canned jack fruit in sea salt and lime juice: 60% jack fruit, 38% water, 1.8% sea salt, 0.2% lime juice
1. King coconut water with lime juice: 99.95% king coconut water, 0.05% lime juice
2. King coconut water with pineapple juice: 94.5% king coconut water, 5.5% pineapple juice
3. King coconut water with passion fruit juice: 97% king coconut water, 3% passion fruit juice
4. King coconut water with mango juice: 85% king coconut water, 15% mango juice
5. Tropical mixed fruit juice and king coconut water: 67% pineapple juice, 15% king coconut water, 13% mango juice, 2.5% papaya juice, 2.5% passion fruit juice

The production of these products from raw materials/ingredients in compliance with Bio Suisse Standards must be checked by the inspection body. Any change of a recipe must be submitted to ICB for approval.

Sincerely yours,

International Certification Bio Suisse AG

Pit Montfort  
Director of Certification
